Personregister över Tryserums Hembygdsförenings årsböcker 1994 – 2019

Detta register omfattar alla hittills publicerade årsböcker. Sedan den blygsamma början 1994 har årsboken utvecklats till en omfattande beskrivning av Tryserum, dess natur, kultur, historia, personer, släkter, torp och gårdar.

I denna lista upptas namn på personer med nära anknytning till socknen. Vad som inte tagits med är namnuppräknings från dop, bröllop och begravningar. Namn från en del kyrko-, förenings- och kommunstämmaprotokoll har i några fall utelämnats liksom personer som nämns vid enbart förnamn eller efternamn.

Observera att samma person kan förekomma under flera namn, t ex: *Andersson, N.*, *Andersson, N.P.*, *Andersson, Nils* eller *Andersson, Nils Petter*. Å andra sidan kan *Andersson, N.* stå för flera olika personer med samma namn.

Förklaring

Jägare, Karl **98:30** – Karl Jägare står i årsbok 1998 på sidan 30

b – bild, bilder

f – följande sida

ff – flera sidor efter den första

x – personer beskrivs mer eller mindre utförligt

30ff – personen har skrivit eller bidragit till texten på sidorna 30 och följande
